EXPERIENCE

UNDERGRADUATE CLASSROOM ASSISTANT Los Angeles, CA

Animation Production and Studio Project Classes

2025 - 2026

- Assisted across multiple stages of the 3D animation pipeline, supporting asset development, shot organization, and production workflows.
- Collaborated on storyboards, scripts, and visual development to ensure smooth translation into 3D production.
- Supported asset tracking, reviews, and approvals to maintain consistency throughout the project.

FIRST GENERATION STUDENT'S PEER MENTOR Los Angeles, CA

Otis College of Art and Design Special Program

Summer of 2025

- Coordinated activities and schedules while supporting students in a collaborative, fast-paced environment.
- Demonstrated adaptability, leadership, and clear communication applicable to team-based production settings.

EVENT ASSISTANT Los Angeles, CA

College events such as; Accepted Students Day, Open House, Jikei Exchange, etc.

2023 - Present

- Assisted with planning and execution of events, adapting quickly to changing needs.
- Provided live Spanish–English translation, supporting clear communication across diverse groups.
